Dear Sir or Madam:

We need your help! Colonial Nursery School will be holding its 18th annual silent/live auction fundraiser on April 17, 2010 at Maritime Museum in Eastport.

Founded in 1958, Colonial Nursery School is Annapolis' only non-profit cooperative preschool. We were founded under the idea of being actively involved in our children's early learning experience. The school is committed to bringing children and families together under the guidance of trained, experienced, and creative teachers, staff, and parents.

Colonial Nursery School is supported financially only by its families and fundraisers. Families play a large role in the daily operation and maintenance of our school. It takes a lot of hard work, but it is worth it! We depend upon our fundraising efforts and generous support of community members like you to help support our children's future.

We are asking for your support on behalf of Colonial Nursery School. Please donate an item or items for our auction. In exchange for your donation, your organization will receive a listing in our program and public acknowledgement of your gift at our auction. Many organizations that have donated in the past see this as an excellent marketing opportunity.

Colonial Nursery School's federal tax identification number is: 52-0703117. If additional information is needed, please call one of the numbers listed below. Donations can be picked up or sent to the school's post office box.

Thank you for your time and consideration.

Sincerely,

Pamela Kowalski
